4 The strip of land known as "Thulao Thotam" ^{at} was first granted to Mr Subbaraya chetty, free of cost, for its being converted into a flower garden at his own cost and set apart for the use of the public. It was also conditioned that the Vairamudi procession should be allowed to take place there, as usual.

5 It is now proposed to allow Mr Subbaraya chetty to build a row of shops on the piece of land in question and utilize the income therefrom for the use of his chattram near the Town Hall.

6, as the chattram is not a Muzrai institution and as the land in question on which a row of shops is proposed to be erected by Mr Subbaraya chetty for the benefit of his chattram, is a Mumuk land, the Muzrai Deptⁿ has, perhaps, no concern in the matter. The Mumukty may obtain a murchahika from the party binding him to the object he has in view.

7 It is a point for consideration whether, after the erection of the shops the Vairamudi procession can take place there, as usual.

cept is concerned, the only question for
consideration is what is now proposed to
be done as regards Vairamudi process
By that I surmise that a mantappari
takes place at the site under some fraudulent
temperament put up. If that is the case I
do not quite understand how the munici-
pality could have overlooked the matter
A neglect of this is likely to hurt the
feelings of a section of people and
unless the suggested improvement is ab-
solutely necessary I would rather leave
things alone. If however this bit must
be built upon, another convenient bit
must be chosen in the neighbourhood
for mantappari. In any case the D.S.
Commissioner and the local Muzrai officers
will have to be consulted as regards
the matter and the expediency of the
step.

Sir,

Adverting to para 2 of Government Order No.3281-4/M1. 368-13-4 dated the 5th September 1913 approving the proposal of the Municipal Council to make over to Mr Subbaraya Chetty free of cost the land known as "Thulsi Thota" near the Rangacharlu Memorial Hall subject to the condition that no bathing ghat should be permitted to be erected on that site, I have the honour to report that under the proposals sanctioned by Government in their order No 8114-6/M1.24-15-84, dated 3rd May 1916 for the improvement of the Clock Tower Square, as recommended by the Chairman Improvement Trust Board, it is necessary to have a row of decent buildings erected facing the roads on the southern and northern sides of the site to be in keeping with the other buildings on the road, and Mr Subbarayachetty is willing to erect shops thereon and to make over the rent realized therefrom for the upkeep of the Chatram.

3 I therefore request you to be so good as to place the matter before Government and obtain their kind sanction for permitting Mr Subbarayachetty to build shops in accordance with an approved plan.
